Enjoy a spa-quality showering experience with the Elementi Splash Lux Column Shower Bottom Inlet 3 Function. This premium shower system will bring designer chic and best-in-class performance to your bathroom, transforming it into an oasis of retreat from reality in your own home. The three-function hand piece and high-rise overhead shower provide total showering indulgence, ideal for anyone who wants a spa experience every day.

Whether you prefer a Soft Rain, a soothing Soothe spray, or both combined in the Rain + Soothe mode, the Splash Lux Column Shower offers versatility to suit your mood. With a 2 Star WELS rating (12 litres per minute), you can have faith in an efficient water experience, and mains pressure compatibility assures you of a robust and satisfying flow.

Constructed with residential and light commercial use in mind, the Splash Lux shower system is ideal for the home, hotel, motel, and retirement village. Constructed of solid brass, it will bear up to the demands of high use and still last a lifetime, and the Swiss-designed aesthetic provides any bath with a modern, streamlined appearance.

The Splash Lux shower also features a useful storage shelf with edge lip to hold items inside and side drain holes to allow water not to accumulate. Finished in the very latest plating finish, the unit boasts a perfect, durable finish that is impervious to use and wear and tear, still appearing showroom fresh decades later.

Backed by a 5-year warranty (1 year on shower parts and hoses and 2 years on coloured finishes), the Elementi Splash Lux Column Shower promises luxury and reliability. Transform your shower into a haven of relaxation today.
