## OPAL SUPPORT RAIL 135 DEGREE RIGHT HAND ANGLED

### CAROMA

Caroma's stunning and sleek range of Opal Support Rails are designed for assisted living in the home and in Aged Care. The rails improve bathroom safety and independence by providing additional support and balance assistance, making the bathroom a more comfortable and practical space. Opal Support Rails are available in a variety of lengths and angles to suit a range of locations and feature a contemporary and modern design, so there's no need to compromise on style with this discreet collection.

- Sleek and contemporary design combines luxury with function
- Durable brass construction with polished chrome, matte black or brushed nickel finish
- Constructed to withstand 1100N force as per requirements (approx. 110kg)
- 32mm diameter load bearing rails with dual fixing
- The Opal Support range is suitable for all home and aged care applications
- Available in a variety of lengths and angles to suit various locations in the bathroom
