Billi®

Billi Home BC with Gooseneck Multifunction Mixer Tap

Instant boiling water or chilled water available any time of the day or night. The most popular model in the Billi Home range, the Billi Home BC is ideal for typical family use. The Home BC is space saving, energy efficient and elegant with a functional style designed for convenience and safety.

The Good Design Award Winning Multifunction Mixer tap complements the space saving and multifunctional approach of Billi's Home Range of products perfectly, negating the requirement for an additional domestic supply mixer tap while providing a sleek solution to dispensing filtered water. Supplied standard with 994052 sub-micron filtration from BWT to deliver the freshest tasting water and ensure the health of your family & guests.

Add the relevant Finishes Code to the Product SKU to finalise your specification eg 915000GMB

TECHNICAL DRAWING & INSTALLATION REQUIREMENTS

PRODUCT DIMENSIONS

PREFERRED INSTALLATION LAYOUT

WATER SUPPLY

Domestic Cold and Hot mains supply is required via separate 1/2" BSP (15mm) stop-taps with male threads. These should be pre-installed in an easily accessible position. Water supply must be microbiologically safe to drink, with a minimum dynamic water pressure of 250kPa and a maximum of 1000kPa.

POWER SUPPLY

A standard 10 amp power outlet is required, no further than 1000mm from the underbench unit. The system is supplied with a 1 metre flex cord and plug.

WARRANTY

The Billi Home Range is covered by a comprehensive 2 year warranty on all parts and labour.

FILTRATION

Billi's range of premium filters utilise BWT's unique Fibron X technology. Billi's filter range provides superior taste, water quality, consistent filter life and peace of mind when it comes to hygiene. Filter supplied: 994052 (0.2 micron). Replacement filters available: 994051 (5 micron option), 994054 (HSD option), 994056 (Sediment only) and 994060 (0.2 micron Sediment Only).

CERTIFICATIONS

Every Billi drinking water appliance is manufactured under a certified quality control system. All Billi commercial range models have been tested and comply with all required standards including: Watermark: WM-021525; Certified to AS/NZ3498 and AS/NZ 4020; ISO 9001:2015, QEC 11627; WELL Cornerstone Member; HACCP: PE-872-WAT-1-02; WELS 5 Star Rating: WM-021914.
