

CASSINI displays sweeping curves and classic ovals, delivering a classic feel with modern styling to form a centrepiece in any bathroom

Cassini 1600 Freestanding Bath

1690x800x565 | 1500x700x585mm

Double ended with reclined back rest at each end

Large internal space for its size due to narrow external edge

Centre waste position

Made from easy to clean sanitary grade Lucite acrylic which retains water temperature better than some materials

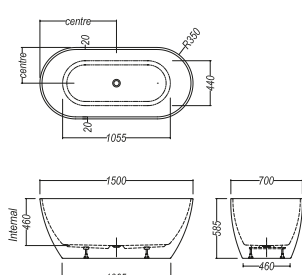

Reinforced with Fibreglass laminate and sandwich construction base for optimum strength

Lighter and easier to install than cast baths

Comes with adjustable feet for levelling
