Easy to install integrated ventilation tray included.

Specifications

Product name	HydroTap G5 BC40 Arc Plus Chrome
Product code	H5L703Z00NZ
Filtered water type	BC
Product approvals	WaterMark, RCM, ARC
Warranty	5 years (appliance warranty 36 months plus additional 24 months tank warranty)

Capacity, weight & dimensions

Boiling cups per hour	160
Chilled cups per hour	125

Plumbing

Water supply requirements	Cold
Water connection	1/2" BSP (G1/2)
Water valves	Integrated 500kPa Pressure limiting valve and Dual Check Valve
Water pressure	Min 170kPa - Max 700kPa

Electrical

Power rating	1.97kW 220-240V 50Hz
Power supply	1 × 10 Amp socket outlet

Tap design

Tap	Zenith HydroTap Design Range ARC Plus Tap (Chrome)
HydroTap style	Arc Plus
Finish	Chrome
Disability options	no

Dimensions W395mm x D487mm x H333mm

Installation

Installation requirements

- 1. Installation and connection of your Zenith HydroTap must be carried out by a qualified person, observing national and local regulations.
- 2. You will require suitable mains electrical and drinking water connections, plus waste water drainage all within 1.5 metres of the product.
- 3. HydroTap is air-cooled so discrete cabinetry cut-outs are required for ventilation. 40mm minimum clearance on cupboard base overhang required otherwise alternative installation options are available.
- 4. Installation on most bench tops is straightforward however some stone bench tops may require a specialised cutting service.
- 5. If you live in a hard water area, we recommend installation of a Zenith scale filtration kit.
- 6. Installation by Zenith Professional Service can be arranged with a phone call or through www.zenithwater.co.nz
