Elevate your bathroom experience with the Elementi Calora collection of heated towel rails. Designed for both style and functionality, this collection offers a range of options to suit your space. Choose from the sleek 7-bar ladder models available in two sizes, each offering five elegant finishes to seamlessly complement your bathroom decor.

For more compact spaces, the single-bar stackable option provides the same luxury with six stunning finishes to match your aesthetic. Whether you prefer the warmth of a classic towel rail or the modern appeal of a minimalist design, the Elementi Calora collection brings comfort and sophistication to your home.
