

# SEPTIC2000

## FOOD WASTE DISPOSER

The SEPTIC2000 with its three stage grind technology is perfect for use with a properly sized septic tank. Soundseal™ plus, makes it our quietest model. Don't worry about what you can and can't grind. The SEPTIC2000 grinds it all!

### FEATURES

#### **.75 Horsepower™ Motor**

The InSinkErator Dura-Drive motor is one of the most powerful and reliable on the market.

#### **Built-In Air Switch**

All InSinkErator's use air to turn the disposer on and off, making it safe around electricity.

#### **Multigrind Plus™ 3 Stage Grinding**

MultiGrind Plus™ 3 Stage Stainless Grinding System with Auto Reverse Action. This grinds the food waste into tiny particles that can easily be broken down in a septic system.

#### **Soundseal Plus™ Noise Reduction**

Makes the SEPTIC2000 the quietest on the market.

#### **Largest Stainless Steel 1180ml Grind Chamber**

Largest capacity of any domestic disposer on the market.

#### **Quicklock™ Sink Mount**

Makes it easy to install into the sink, and come with all models.

#### **Made In The USA**

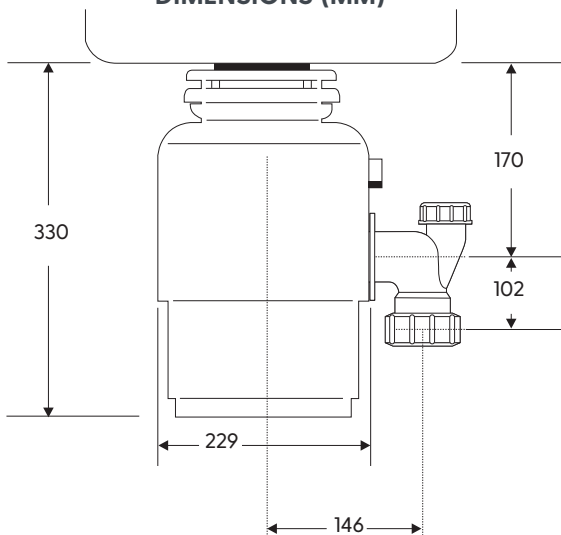

#### **10 Year Warranty**

The SEPTIC 2000 comes with a 10 year in-home warranty.
