RIM JET SUPERIOR FLUSHING

The innovative design of the Elementi ION toilet projects a jet of water rather than the traditional flushing mechanism where water pours down the rim. Through the powerful delivery of water maximum cleaning of the inner bowl is achieved.

ULTRA GLAZE

Elementi toilets features an advanced Ultra Glaze finish for an ultra smooth easy clean surface and improved hygiene.

ELEMENTI

Elementi is Robertson Bathware's own unique brand. Born from decades of experience, and inspired by the latest international design trends, Elementi is a synthesis of innovation and style.
