

SOLACE features a single ended reclined back support with a spacious foot area to create ample space in a shower over bath situation

Solace 1675 Bath

1675x750x450mm

Reclining back rest at one end

End waste position

Supplied with convenient "all in one" pop up waste and overFlow - overFlow Fitting acts as the control to release the waste water

Ideal for use in a shower over bath situation

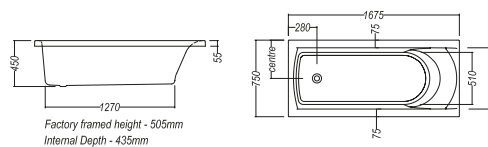

Made From easy to clean sanitary grade acrylic which retains water temperature better than some materials

Sandwich construction base for optimum strength

Optional Factory Fitted 15mm aluminium upstands are recommended when bath is positioned against a wall

Upstands enable a water tight seal between the bath and wall lining or tiles allowing the installer to apply the sealant above the baths surface, preventing a visible seal that can discolour or mould

MADE IN NEW ZEALAND

	BATH	FRAMED BATH
	BASOB16N	BASOB16F
WITH UPSTANDS	BASOB16NU	BASOB16FU

220 litre water capacity

Specific upstand position must be specified when ordering

Water capacity measured to overFlow
