

STIEBEL ELTRON

Hot 2.6 N Premium

Experience a new level of
convenience with instant
boiling water available
directly from the tap

Hot 2.6 N Premium

UNDER SINK WATER BOILER

Enjoy a high level of convenience

Introducing the HOT 2.6 - the perfect solution for those who need instant access to boiling water. Its compact, slim design with a chrome tap makes it a stylish addition to any kitchen. With its programmable timer, the HOT 2.6 saves energy and ensures you have hot water when you need it. Safety is also a top priority, with a childproof push-and-turn mechanism. The high-grade thermal insulation minimises energy losses, making it an energy-efficient choice. The HOT 2.6 is built to last, making it a reliable and long-lasting addition to any home or office.
