ENGLEFIELD® SIDE RECESSED SHOWER WALL

Make use of more space with the latest innovation in Englefield's range of storage solutions for your shower, the **Side Recessed Wall**.

This beautifully designed wall offers you a modern and minimalist way of storing your shower essentials.

Built into the framing cavity of your bathroom wall, the moulded shelves – made from our Duracryl® acrylic lining – are fully enclosed and don't intrude into the shower enclosure, allowing you to maximise your space.

Englefield® Side Recessed acrylic wall liners are protected by:

NZ Design Registration No. 426858.

Englefield® Shower walls are manufactured from Duracryl® 2mm premium grade acrylic, so that it is scratch and mould resistant. This means that they are of premium quality, ensuring that your shower looks as good in years to come as it does the day you bought it.

BUILT TO LAST

The wall is made from premium grade Duracryl® acrylic using Senosan® Antibac® technology, so it is scratch and mould resistant. This takes the hard work out of cleaning while standing up to the daily demands of a busy family.

SIDE RECESSED WALL

- This wall offers the best in space-saving solutions by egressing into the framing cavity of your bathroom wall. This affords you additional storage without losing any of the internal space within the shower enclosure.
